

STUDY OPPORTUNITIES IN THE UK

STUDY OVERSEAS UK
The British Education Consultants

STUDY OVERSEAS UK

Who are we?

Study Overseas was established to counsel students who wish to study in the UK and is now a representative of many British institutions:

- Universities
- Colleges
- Private schools
- English language schools.

Through our London office and our network of offices overseas, we provide a variety of services for international students.

Our Services

Our services are totally FREE of charge as we are funded by the institutions represented. These are just some of the services available to you:

- Application forms & prospectuses
- Course searching on our database
- Reference library
- Accommodation advice
- Visa application/extension forms
- Student support network
- Study Overseas Alumni Club
- Employment/career guidance upon completion of your course

We believe that the UK offers the best of education, student life and opportunities - we want to help every student who wishes to sample what the UK has to offer. However, we realise that it can be difficult to understand what options are available we will sort through the huge volume of information to find the right course for you!

FREE Personally Tailored Advice

We recognise that every student is different and hence we aim to provide tailored advice that will assist you with making the right choice and taking that first step to career success. You can study English or Economics, Design or Dentistry, Law or Leisure Management, an MBA or Mechanical Engineering - we will find the course for you!

Find a Course to Suit YOU and Apply

Whether you are looking for a short course to improve your English Language skills, A Levels, HND, Diploma, Bachelors, Masters, MBA or PhD, our in-depth counselling will help you to select the right course at the most suitable institution in the UK. We will guide you through the application procedure from course selection to visa application.

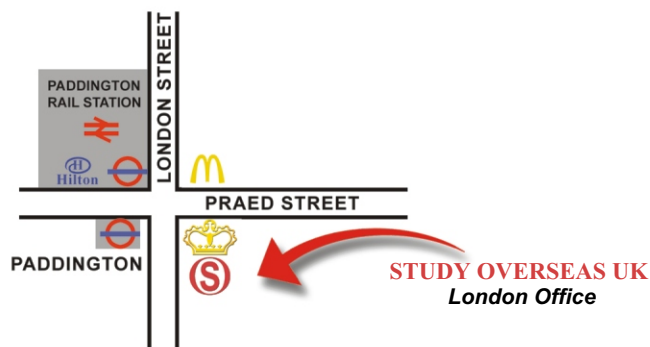

Life as a Student in the UK

We will provide guidance on pre-departure preparations and answers to all your questions on student life in the UK. In addition to seminars we also provide you with access to a wealth of information to help you prepare for your studies in the UK.

Student Visa Counselling

Guidance is provided to help you to secure your visa to enable you to study in the UK. Information on the visa application procedure and the documentation required will be available once you have been offered a place on a course.

Contact Other International Students

Our networking opportunities enable you to establish contact with other students going to the UK either before or during your studies in the UK.

Employment Advice upon Course Completion

As a Study Overseas student you are entitled to register with Employment Overseas Ltd during your course and you will be eligible for advice on jobs after course completion.

Employment Overseas Ltd, offers a unique, FREE service as it exclusively helps students who have applied through Study Overseas to find employment on completion of their studies in the UK.

Employment Overseas Ltd's Services

- Monthly email newsletter on employment issues and opportunities covering graduate training programmes, careers fairs, research funding for PhD, and employment vacancies.
- Student profiles on the Employment Overseas Ltd website for potential employers to consider for suitable vacancies.
- Assistance with CV compilation through the company database.
- Telephone, email or face to face counselling and advice from professional recruitment consultants to answer any employment or work permit queries.
- Be considered for job vacancies with potential employers who have contacted Employment Overseas Ltd

Post Arrival Support

Post arrival services are available for when you arrive in the UK. This is done through our London office helping to ensure that you have an important support network during both the early stages in the UK when things may be unfamiliar and at any other time during your studies.

Alumni Network

A long term support network through lifetime membership of our Alumni group begins as soon as you commence your studies in the UK. The Alumni group helps provide you with opportunities to stay in touch with other students from your own country and city while you are studying in the UK and after graduation.
