NURSING AND HEALTHCARE

At The College, Swansea University

The College, Swansea University has launched a new Foundation in Nursing and Healthcare that will be available for September 2025 entry.

This Pathway will allow students the opportunity (subject to meeting all progression requirements, as detailed on the next page) to progress onto BSc Adult Nursing at Swansea University which is accredited by the Nursing and Midwifery Council (NMC).

On progression to Swansea University, students on BSc Adult Nursing will benefit from up to 2,300 hours of clinical practice within the NHS, be eligible to apply for Registered Nurse status with the NMC and to register as a nurse for work in EU and EEA.

BSc Adult Nursing graduates working in the UK can expect a starting salary of over £28,000 rising to over £57,000 for experienced staff.

The Details

Entry Requirements for Foundation Pathway

Students hoping to study the Nursing and Healthcare Foundation will be required to provide:

- 5x GCSEs at A-E grade OR 28 UCAS points (new) in AS, with a Grade C or equivalent in GCSE Mathematics
- UKVI IELTS 5.5 (no skill below 5.0) OR an appropriate equivalent
- A high quality Personal Statement
- Successful completion of an Admissions Interview before receiving an Unconditional Offer. This interview will be similar to our standard admissions interviews but will have a focus on healthcare. Students will only be eligible for this interview once all other conditions have been met. Please note that demand is high for this Foundation Pathway and spaces are limited.

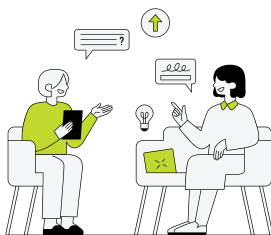

A Globally Ranked University

Swansea University is among the Top 30 Universities in the UK and Top 300 in the world (Guardian & QS 2025). With this knowledge you can be sure that your learning and living experience while studying with us will be of the highest quality.

Progression Requirements for BSc Adult Nursing

In order to progress from the Foundation Pathway to BSc Adult Nursing, students must:

- Pass all Nursing and Healthcare Foundation Pathway modules
- Pass a Police check/DBS equivalent at own cost*
- Pass a Swansea University Occupational Health Check*
- Pass an in-person interview with Swansea University's School of Nursing

Students who pass all modules but fail one of more of the other requirements will be transferred to International Year One BSc Health and Social Care. As a Health and Social Care graduate, a wealth of careers are open to you in the NHS, social services, civil services, charitable organisations and more.

*NMC Requirement

Safe and Secure

Swansea University was recently ranked as the 7th safest city for students to study in the UK as well as the safest city in Wales (Complete University Guide 2024). Coupled with a 24 Hour security team on campus and our welcoming and friendly international community, Swansea is the perfect place to live and learn.

Limited Spaces available!
